10 JUNE 1...

To

The General Secretary to the Government of

H.H. the Maharaja of Mysore,

Bangalore.

RR 10/6/31

Sir,

With reference to Government Order No.G.14799-800/P & S. 65-26-8, dated the 21st March 1928, I have the honour to state that the Assistant Superintendent, Government Branch Press, Mysore, reports that the first volume of the reprint of Wilks's History of Mysore with Sir Murray Hammick's notes is now ready for issue. The Assistant Superintendent requests orders as to the disposal of the books.

2 I presume he may be instructed that they should be sent to the Curator, Government Book Depot, Bangalore, for sale, and a price fixed in accordance with the rules governing the subject.

3 Meanwhile I would venture to suggest that the University be asked to purchase copies for the College Libraries and to prescribe the book as a book of reference for the M.A.Course in Histo (under the South Indian group) and as a textbook in the M.A. History classes.

4 Perhaps the Education Department might also be in a position to purchase a number of copies for the libraries of the High Schools.

5 I would further venture to suggest that the book be advertised in the Mysore Publicity Journal and that copies be sent to various newspapers for review and that leaflets regarding it be distributed to the libraries of other universities and other

likely purchasers.

I have the honour to be,

Sir,

Your most obedient servant,

Private Secretary.
